

2. What types of things, do you imagine, will be brought forward into God's new world? Can you think of any examples from your own life?

I think that god loving people will be brought into the new world. I also think that all that is good will also be there. I don't think that much will not make it except for sin and sinful things. I think god and Jesus will also be there raising over all, AMEN!!

!! I agree that anything good will be brought into his new world. There will be no sin, suffering or pain. I think that this new world will have love and all good things in it. I think unity with God will have been achieved. also Nathan would be there.

2. What types of things, do you imagine, will be brought forward into God's new world? Can you think of any examples from your own life?

I think that the things that ~~humans~~ humans have done/created or built "for the kingdom" like Wright says, will be brought forward. Anything that people do with good intentions or that is done for God, like things inspired by God (art, music, other things, acts) or the Church will be. (2nd pg of chapter 12).

This shows that we should spend our time here on this earth preparing for the kingdom. Page 208 mentions, that the church doesn't build the kingdom of God, it "builds FOR the kingdom of God."

I think art and music will be brought into the new world. Both are powerful forms of expression that can be beautiful, but can also be tragic and tell stories better than words. God is a creator, and He has given us the ability to create too, and I think that will continue in the new world.

2. What types of things, do you imagine, will be brought forward into God's new world? Can you think of any examples from your own life?

1. In God's new world there will be
God longs to reestablish his wife's sovereignty over the
Jesus' followers have been commissioned and equipped to put their
victory and that inaugurated new world into practice.

2. Rather than being brought forward into God's new world, I believe
some things will be left behind in this world. One thing I truly
believe being left behind is cancer. Cancer is the thief of joy, a
family destroyer, and potentially a faith destroyer. God will
NOT allow this into his new world.

Revelation 21-22?

3. I think that God will leave behind anything that causes vs/any
of creation pain and suffering, because there will not be any
of that in his new world. I also think it's a good point that
he won't allow anything that has the potential to destroy faith, whether it
is seen by people now as a good or evil thing.
